-- The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

1. ☒ The amendment filed on 29 December 2004 under 37 CFR 1.312 has been considered, and has been:

- a) ☐ entered.
- b) ☐ entered as directed to matters of form not affecting the scope of the invention.
- c) ☐ disapproved because the amendment was filed after the payment of the issue fee.
Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.
- d) ☐ disapproved. See explanation below.
- e) ☒ entered in part. See explanation below.

The amendment to the specification is intended to correct informalities, therefore the amendment is entered. However, the drawings are considered non-compliant because Applicants fail to label a drawing submitted with an amendment, i.e., "replacement sheet" (amended drawing) or new sheet. The drawings are thus not entered.
